MEMORANDUM FOR: Acting Chief, Development Projects Division

SUBJECT: OSI-DDP Working Relationships

1. For your information the liaison relationships between OSI and DPD are in good order and are in keeping with the views expressed by DDP in the attached memorandum as well as with those expressed by ADSI (also attached) even though we aren't burdened with all the details outlined in Dr. Scoville's memorandum.

2. Specifically this office has taken the responsibility to establish any necessary liaison between ADSI and DPD (excepting, of course, where ADSI wishes to deal with the Acting Chief, DPD). I, of course, deal with the Collection Staff in OSI as required in COMOR business or with other OSI people. I have arranged for the ESO Office to have direct dealings as required with the Development Branch and the DPD Intelligence Officer with the Blue Room (processing).

3. When difficulties arise in any of these relationships, they have normally been brought to my attention for settlement.
